Code: CC28 From: 30 June - 4 July 2025 City: London (UK) Fees: 4700 Pound

Introduction

In today's competitive business landscape, delivering exceptional customer experiences is essential for success. Customer experience CX encompasses every interaction a customer has with a company, and it profoundly impacts customer loyalty and business outcomes. This 5-day course, "Customer Experience Excellence," is designed to provide participants with the knowledge and skills needed to understand, design, and deliver outstanding customer experiences. Participants will explore the principles of customer-centricity, learn strategies for enhancing CX, and discover how to measure and continuously improve customer satisfaction.

Course Objectives

- Introduce participants to the significance of customer experience in today's business environment.
- Provide a comprehensive understanding of the key components of customer experience.
- Equip participants with the tools and strategies to design and deliver exceptional customer experiences.
- Teach participants how to measure and assess customer satisfaction and loyalty.
- Foster a customer-centric mindset and culture within organizations.
- Prepare participants to implement practical CX improvements.
