Mastering Negotiation

Code: PS32 From: 17 - 28 January 2027 City: Sharm El-Sheikh (Egypt) Fees: 7600 Pound

Introduction

Negotiation skills are crucial in both personal and professional life, influencing key decisions, resolving conflicts, and securing favorable outcomes. Whether you're aiming for better deals, resolving issues, or making high-stakes decisions, understanding negotiation strategies and negotiation processes can lead to success. This course, "Mastering Negotiation", is designed to provide participants with a comprehensive understanding of what are negotiation skills, helping you enhance your abilities through expert guidance.

In this negotiating skills course, participants will learn effective negotiation tactics, explore various types of negotiation skills, and develop the necessary confidence to handle crisis negotiations, settlement negotiations, and other complex scenarios. Whether you're preparing for contract negotiation or handling interpersonal negotiations, this course will help you improve your negotiation skills through practical exercises, case studies, and hands-on training.

Course Objectives

- Understand the fundamentals of negotiation: Learn the essentials of negotiation and explore what are negotiation skills to effectively approach any negotiation scenario.
- Explore different negotiation styles: Understand various types of negotiation skills competitive, collaborative, and others and how to apply them in different situations.
- Master negotiation strategies: Equip yourself with negotiation strategies to create win-win agreements that benefit all parties involved.
- Develop essential communication skills: Learn how to communicate effectively, listen actively, and negotiate with clarity and confidence.
- Learn preparation techniques: Discover how to prepare for a negotiation, set clear objectives, and assess positions to achieve successful outcomes.
- Handle complex negotiations: Develop the ability to engage in multi-party negotiations, cross-cultural negotiations, and high-stakes negotiations.
- Become a successful negotiator: Understand how to improve negotiation skills and navigate challenging scenarios, from crisis negotiations to settlement negotiations.

Course Outlines

Day 1: Introduction to Negotiation

- Understanding what is negotiation and its significance in both professional and personal contexts.
- The psychological aspects of negotiation: Recognizing and addressing biases and emotional triggers.
- Common myths and misconceptions about negotiation skills and strategies.

Day 2: Negotiation Styles and Strategies

The logo for UK Training Partner features the text 'UK Training' in a smaller, black sans-serif font above the word 'PARTNER' in a large, bold, black sans-serif font. The logo is positioned on a chessboard background with several chess pieces (a king, a pawn, and a knight) visible. The background also includes a series of concentric white circles on a dark background, creating a ripple effect.

- Introduction to different types of negotiation skills Competitive, Collaborative, etc.
- Choosing the right strategy based on the situation and the involved parties.
- Building trust and establishing rapport for successful negotiations.

Day 3: Effective Communication in Negotiation

- Essentials of negotiation: Learn the art of active listening and how it can influence outcomes.
- Verbal and non-verbal communication techniques to enhance persuasion and clarity.
- Framing and reframing: Shaping the conversation to benefit both parties.

Day 4: Persuasion and Influence in Negotiation

- Key principles of persuasion in negotiations: Reciprocity, scarcity, and others.
- Techniques for overcoming resistance and building agreement.
- Ethical considerations in influencing others and maintaining integrity.

Day 5: Negotiation Preparation and Planning

- Setting clear objectives for a successful negotiation.
- Understanding and assessing your BATNA Best Alternative to a Negotiated Agreement.
- Analyzing the interests and positions of the opposing party to create a robust negotiation plan.

Day 6: The Negotiation Process

- Opening statements, initial positions, and key tactics to frame the negotiation.
- The art of give-and-take and maintaining flexibility throughout the process.
- Managing deadlocks and impasses effectively.

Day 7: Negotiating in Business and Professional Settings

- How to negotiate a raise and negotiate benefits with confidence.
- Contract negotiation: Essential skills for securing business agreements.
- Negotiating with suppliers, partners, and other key stakeholders in professional settings.
