Workshop in The Art of Stakeholders Management Effectively

Code: OC28 From: 21 October - 1 November 2024 City: Amsterdam (Netherlands) Fees: 8400 Pound

Introduction

A Stakeholder is an individual or group, with an interest in what you provide or do. If you are going to influence your Stakeholders, you must take the time to develop and build support. Whether this is for a Project or a major Change initiative, without the support of people, you will fail. Research has shown that Project and Programme Management Specialists spend much more time than the average respondent dealing with people and people issues.

This exciting and innovative Stakeholder Management training course will focus on the practical and theoretical aspects of Influencing, Negotiating, and communicating. You will learn how to build an ongoing relationship with people to ensure success in all you do. You will learn the essential ingredients of engagement and practical skills in human communication, influence, and negotiation.

Course Objectives

- Understand stakeholder interests
- Recognize the difference between influence, persuasion, and negotiation
- Develop a management plan for stakeholder participation
- Evaluate participation using the evaluation matrix
- Implement your plan for the project charter
- Take advantage of the change control plan
- Build trust with stakeholders
- Contain domain crawl using negotiation and persuasion
