Security Officers Development Program

Code: HS28 From: 23 - 27 November 2025 City: Amman (Jordan) Fees: 4000 Pound

Introduction

Security Officers are professionals working in diverse organizations, requiring skills and knowledge to enhance personal and organizational performance. As global risks and threats evolve, security departments must be viewed as integral to organizational objectives. Security officers need leadership skills and expertise to implement effective security practices.

This course equips delegates with the necessary skills, knowledge, and ability to meet international standards and best practices in security. It covers technical areas like roles, risk assessment, legislation, health/safety, incident control, and crisis management, empowering participants to handle conflicts and improve security efficiency and effectiveness.

Course Objectives

- Identify best practice and effective policy implementation on leading security solutions.
- Operate and interact with a security function effectively.
- Identify communication strategies to build more productive communications.
- Understand the roles of Security Officer.
