High Impact Leadership Program for Oil & Gas Professionals

Code: OG28 From: 16 - 20 February 2025 City: Amman (Jordan) Fees: 4000 Pound

Introduction

This High Impact Leadership Programme for Oil & Gas Professionals training course has been designed specifically for experienced individuals wanting to develop these skills within the increasingly complex and fast-changing oil, gas & petrochemical industry. This training course will deliver a structured framework for identifying and responding to new opportunities. It enables the participants to respond to the challenge of linking strategies to profitable growth objectives within these 3 closely integrated sectors.

The global oil, gas, and petrochemical business is undergoing significant change in all dimensions - supply/demand balance, competition, technologies, organisational structures, and government policies. It is, therefore, imperative for all business leaders to be able to deal with all dimensions of change and successfully navigate the evolving risk landscape to become the top performers of tomorrow.

Course Objectives

- Appreciate and understand each of the 3 dimensions of the training course: i oil, gas, and petrochemical trends, ii leadership, iii strategic thinking
- Develop action plans that link strategy to achieving and sustaining profitable growth
- Evaluate, select, and apply key strategic planning frameworks
- Improve leadership skills to create a systematic approach to business analysis and strategy execution
- Identify priorities for continued personal and team development

Course Outlines
