Advanced Strategies in Human Resources

Code: HR28 From: 1 - 5 July 2024 City: Boston (USA) Fees: 5700 Pound

Introduction

Advanced Strategic HR Management training course focuses on human resource strategy, its integration with corporate planning, and the growth of human resource policies. Human resource management HRM is concerned with the personnel policies and supervisory practices and systems that manipulate the workforce. In broader terms, all decisions that affect the workforce of the organization are covered under this function. This course gives you knowledge of this function to better adapt and apply to your organization.

Course Objectives of The Advanced Strategies in Human Resources

- Understand the concepts and definitions of Human Resources Management
- Develop a training strategy to fulfill organisational needs
- Develop staff selection processes and performance appraisal systems
- Learn the Training Needs Analysis methodology and economic training delivery
- Sharpen communication and inter-personal skills for training
- Deliver training demands and evaluate the benefits effectively
- Understand how unwanted behaviours can cause conflict in the workplace
