## The A - Z of Purchasing & Supply Chain Management

Code: SC28 From: 22 - 26 December 2024 City: Washington (USA) Fees: 5700 Pound

### Introduction

Managing the purchasing department of the 21st Century is not an easy task. Today's global economy makes the purchasing function increasingly complicated. In this course, we will explore how to manage the various suppliers that may be located thousands of kilometers from your plant while achieving real cost savings. Furthermore, we will discover how the purchasing department fits in the overall function of the supply chain operation. Lastly, we will cover how the purchasing department should be managed properly to achieve all of its Key Performance Indicators KPIs.
