Comprehensive Transfer Pricing Training

Code: FA28 From: 9 - 13 March 2025 City: Dubai (UAE) Fees: 3900 Pound

Introduction

The Advanced Transfer Pricing Course is a comprehensive program designed to provide participants with in-depth knowledge and practical skills related to transfer pricing issues specifically focused on intangibles and other related topics. This advanced-level course is tailored for professionals who already possess a solid understanding of transfer pricing fundamentals and wish to explore the complexities surrounding intangible assets, intellectual property, and other key aspects of transfer pricing. Through a combination of theoretical discussions, case studies, and interactive exercises, participants will enhance their expertise in managing transfer pricing challenges related to intangibles within multinational enterprises.

Objectives

- Develop a deep understanding of transfer pricing principles and methodologies related to intangible assets.
- Gain insights into the identification, valuation, and management of intangibles for transfer pricing purposes.
- Acquire knowledge of the legal and economic aspects associated with intangibles in transfer pricing.
- Understand the challenges and best practices for documenting and defending transfer pricing arrangements involving intangibles.
- Learn how to analyze and address transfer pricing disputes and controversies specific to intangibles.
- How to allocate profits
- Explore the latest trends and developments in international transfer pricing regulations related to intangibles.
- Apply practical tools and techniques to optimize transfer pricing outcomes for transactions involving intangibles within multinational enterprises.
- Permanent establishments

Course Outline

Day 1

Transfer Pricing

- Review of transfer pricing fundamentals and arm's length principle.
- Overview of intangible assets and their importance in transfer pricing.
- Types of intangibles and their characteristics.
- Legal and economic considerations related to intangibles in transfer pricing.

Day 2

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it. The pieces are gold and silver. The board is white and black squares. In the background, there are concentric circles radiating from the center.
