## Certified Asset Management Assessor

Code: FA28 From: 17 - 21 March 2025 City: Los Angeles (USA) Fees: 5700 Pound

### Introduction

The Certified Asset Management Assessor course is a comprehensive program designed to equip participants with the knowledge and skills necessary to become certified assessors in asset management. This course provides a deep understanding of asset management principles, best practices, and international standards. Participants will learn how to assess and evaluate asset management systems, identify improvement opportunities, and support organizations in achieving excellence in managing their assets effectively.

### Objectives

- Understand the fundamental concepts and principles of asset management.
- Gain knowledge of international standards and frameworks for asset management.
- Develop skills to assess and evaluate asset management systems.
- Learn techniques for identifying improvement opportunities in asset management practices.
- Acquire knowledge of risk management strategies in asset management.
- Understand the role of leadership and organizational culture in asset management excellence.
- Prepare for the Certified Asset Management Assessor certification exam.

### Course Outlines

#### Day 1

##### Introduction to Asset Management

- Overview of asset management concepts and principles
- Importance of asset management in organizational success
- Key roles and responsibilities of asset management assessors
- Introduction to the Certified Asset Management Assessor certification process

#### Day 2

##### Asset Management Standards and Frameworks

- International standards for asset management e.g., ISO 55000 series
- Overview of asset management frameworks e.g., PAS 55, GFMAM Asset Management Landscape
- Alignment of asset management with organizational objectives
- Integration of asset management with other management systems e.g., quality, safety

The logo for UK Training Partner features the text 'UK Training' in a small, black sans-serif font above the word 'PARTNER' in a large, bold, black sans-serif font. The background consists of a black and white checkered pattern with several chess pieces (a king, a pawn, and a knight) and concentric circles.

### Day 3

#### Asset Management Assessment Methodologies

- Assessment principles and methodologies
