## Image making and reputation management

Code: LM28 From: 20 - 24 January 2025 City: Prague (Czech) Fees: 4400 Pound

### Introduction

The mental image of an organization is considered one of the pillars of its success due to its significant importance in supporting the achievement of its mission, vision, and strategic objectives. It plays a role in protecting its reputation from accusations and rumors, as well as increasing the satisfaction of the target audience and addressing their reactions, thus enhancing their interest in the organization's services or products. It also directs all the organization's personnel to contribute to the maintenance, development, and enhancement of its mental image locally, regionally, and internationally.

This intensive course aims to explore reputation management strategies in organizations and their role in building the brand. It covers topics such as building a distinctive and positive mental image and reputation for companies and institutions, deepening understanding of the mental image, acquiring skills in planning, managing, maintaining, and developing it to contribute to the organization's mission, vision, and strategic objectives. It also focuses on ensuring the clarity of the organization's image and reputation among the target audience, increasing their satisfaction with the organization, its products, and services.

### Objectives

- Understanding the mental image and its components.
- Recognizing the importance of the mental image and its consequences.
- Understanding the stages of building the mental image.
- Familiarizing with strategies for building and supporting the mental image.
- Acquiring skills in planning, managing, maintaining, and developing the mental image.
- Identifying obstacles and problems that distort the organization's image and harm its reputation, and learning how to address and overcome them.
- Deepening understanding of the mental image, acquiring skills in planning, managing, maintaining, and developing it to contribute to the organization's mission, vision, and strategic objectives. Ensuring the clarity of the organization's image and reputation among the target audience and increasing their satisfaction with it, its products, and services.

### Course Outlines

#### Day 1

- Introduction to understanding the mental image.
- The concept of the mental image and its importance.
- Types of mental images.
- Components of the mental image.

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) on it. The pieces are in shades of gold and silver. The board is a checkered pattern of light and dark squares. In the background, there are concentric circles radiating from the center, suggesting a signal or a field of influence.
