## High-Potential Agile Women Leaders

Code: DG28 From: 12 - 16 July 2026 City: Sharm El-Sheikh (Egypt) Fees: 3700 Pound

### Introduction

Welcome to the High-Potential Agile Women Leaders course. In today's dynamic and diverse business environment, organizations are increasingly recognizing the immense value that women leaders bring to the table. This course is specifically designed to empower high-potential women leaders with the skills, mindset, and strategies needed to thrive in leadership roles and drive organizational success.

Throughout this course, we will explore the unique challenges and opportunities that women can face as leaders in various sectors, providing you with practical tools and techniques to enhance your leadership capabilities. By the end of this program, you will be equipped with the knowledge and skills to become a successful women leader and a catalyst for change within your organization.

### Course Objectives

- Understand the importance of women leaders: We will begin by discussing the significance of women leaders in today's organizations. Through research and case studies, we will highlight the value and impact of gender diversity in leadership roles and explore why women make better leaders.
- Identify the qualities of high-potential agile women leaders: We will delve into the specific qualities and characteristics that define high-potential women leaders. By examining successful women leaders from various industries, we will uncover the traits that contribute to their success and define the high-potential definition.
- Develop leadership skills: Throughout this course, we will focus on building essential leadership skills crucial for high-potential women leaders. Topics include effective communication, strategic thinking, decision-making, and building and leading high-performing teams, all vital for high-potential development.
- Address gender-specific challenges: As women leaders, it is essential to acknowledge and address the unique challenges we may face. We will discuss strategies to overcome barriers and biases, negotiate for success, and build resilience and confidence, addressing the high potential difference in leadership experiences.

### Course Outlines

#### Day 1: Introduction to High-Potential Agile Women Leaders

- The importance of women leaders in organizations
- Understanding the benefits of gender diversity in leadership
- Case studies of global women leaders and their impact

#### Day 2: Qualities of High-Potential Agile Women Leaders
