## Contact Center Certified Manager

Code: LM28 From: 7 - 11 July 2025 City: Florida (USA) Fees: 5700 Pound

### Introduction

Welcome to the Certified Contact Center Manager Course. This comprehensive training program is designed to provide insights into the concepts and skills necessary for effective management of contact centers. Participants will be equipped with the knowledge and tools to achieve optimal performance in a contact center environment, ensuring the delivery of high-quality services and effective operational control.

### Objectives

- Understand the concept of contact centers: Provide an overview of the importance of contact centers and their role in improving customer experiences.
- Develop management skills: Enhance leadership and guidance skills to ensure the efficiency of the center and customer satisfaction.
- Improve communication strategies: Develop communication skills within the center and with customers to achieve effective interaction.
- Enhance individual and team performance: Motivate and develop the team through effective performance management strategies.
- Understand technology in contact centers: Familiarize yourself with the technologies and tools used in contact centers to improve efficiency and effectiveness.

### Outlines
