Facility Management Administrator (FMA)

Code: LM28 From: 2 - 6 February 2025 City: Cairo (Egypt) Fees: 3400 Pound

Introduction

This course is designed to provide facility management administrators with the most modern and advanced knowledge and skills to excel in their roles. Participants will explore the latest trends, technologies, and best practices in facility management administration and gain practical insights to enhance their professional capabilities. Whether you are an experienced facility management professional or aspiring to enter this field, this course will equip you with the tools and techniques needed for success.

Objectives

- Understand the key principles and concepts of facility management administration in today's dynamic business environment.
- Gain knowledge of the latest trends, technologies, and best practices in facility management administration.
- Develop a strategic mindset to align facility management administration goals with organizational objectives.
- Learn effective strategies for optimizing facility operations, maintenance, and sustainability.
- Enhance your leadership and communication skills to effectively manage teams and stakeholders.
- Acquire risk management techniques to ensure the safety and security of facilities and occupants.
- Explore innovative approaches to space planning, workplace design, and workplace experience.
- Understand the financial aspects of facility management administration, including budgeting and cost control.
- Gain insights into the emerging role of technology in facility management administration and its impact on operations.
- Foster a culture of continuous improvement and innovation in facility management administration practices.
