# Strategic Marketing For Non-Marketing Professionals Interactive Workshops

Code: CC28 From: 10 - 21 March 2025 City: Cape Town (South Africa) Fees: 6600 Pound

#### Introduction

All managers need to know about the various aspects of marketing and how they impact business life. They will need to know how market segmentation is done. They will need to be familiar with the product diffusion curve. They will need to understand Porter's five competitive forces model. They will need to be totally familiar with the marketing mix and how pricing strategies are used to enhance the profitability of the business. They will need to be conversant with the AIDA, DAGMAR, and Growth Share Models. They will need to understand product market strategies and how the product life cycle operates.

This course aims to equip managers with practical knowledge of essential marketing concepts and techniques that directly impact business outcomes. Unlike traditional courses laden with theoretical complexities, our approach is straightforward, aligning with the practical needs of managers.
