Senior Manager Internal Audit

Code: FA28 From: 9 - 13 June 2025 City: Madrid (Spain) Fees: 4200 Pound

Introduction

The Senior Manager Internal Audit course is designed to provide senior-level professionals in the field of internal audit with the latest knowledge and skills necessary to excel in their roles. The course will cover a range of advanced topics, techniques, and best practices to enhance participants' abilities in effectively managing internal audit functions within organizations. Through a combination of theoretical discussions, case studies, and interactive exercises, participants will gain valuable insights into the evolving landscape of internal audit and develop strategies to address emerging challenges.

Objectives

- Understand the evolving role of senior managers in internal audit.
- Explore modern trends and developments impacting the internal audit function.
- Enhance leadership skills to effectively manage internal audit teams.
- Develop advanced risk assessment and audit planning techniques.
- Gain insights into emerging technologies and their impact on internal audit.
- Learn advanced techniques for conducting internal audit engagements.
- Understand the importance of data analytics in internal audit and leverage tools for enhanced insights.
- Strengthen stakeholder relationships and effectively communicate audit findings.
- Develop strategies to manage and mitigate fraud and corruption risks.
- Explore the role of internal audit in corporate governance and ethics.

Course Outline
