Strategic Decision Making

Code: LM28 From: 9 - 13 June 2025 City: Kuala Lumpur (Malaysia) Fees: 3900 Pound

Introduction

The Advanced Strategic Decision-Making course is designed to provide participants with a comprehensive understanding of strategic decision-making processes in a modern business environment. This course introduces advanced concepts and techniques to enhance decision-making skills, enabling participants to make informed and effective strategic choices.

Course Objectives

- Understand the complexities and challenges of strategic decision making in the modern business landscape.
- Develop analytical thinking and problem-solving skills to make sound strategic decisions.
- Learn advanced decision-making frameworks and tools to evaluate strategic alternatives.
- Enhance understanding of risk management and uncertainty in strategic decision making.
- Explore techniques for aligning strategic decisions with organizational goals and objectives.
- Develop skills to communicate and present strategic decisions effectively to stakeholders.

Course Outline
