Strategic Executive Leadership in Government

Code: NC28 From: 16 - 20 December 2024 City: Kigali (Rwanda) Fees: 4000 Pound

Introduction

The pressures and challenges facing governments of all types are growing. The number and complexity of issues are increasing, the budgets and resources available to manage these issues are limited and expectations of citizens are becoming more demanding. Citizens, legislators, NGOs, journalists, and other stakeholders have access to more information and tools such as social media to make their voices heard. Developing and implementing effective policies, managing change, dealing with crises, and engaging with a wide range of stakeholders are essential skills for government officials at all levels, whether appointed or elected.

This training course on Strategic Leadership in Government will provide strategies and tools to enhance the leadership performance of government officials and allow them to take a strategic approach to manage the issues that face a modern government.

Course Objectives of Strategic Leadership in Government

- Recent global trends and developments in government leadership.
- How to ensure high ethical standards are maintained.
- How to develop an effective organizational culture.
- Effective strategies and tools for developing and implementing high-quality policy.
- How to manage change.
- How to manage crises.
- Effective stakeholder engagement.
