Certificate in Environmental Management

Code: HS28 From: 10 - 14 February 2025 City: Accra (Ghana) Fees: 3700 Pound

Introduction

A globally recognised qualification for those who have Environmental Management responsibilities or anyone wishing to have a career in this area. The NEBOSH Certificate in Environmental Management covers the principles of environmental management and is relevant for both UK and international markets.

Those who hold the NEBOSH Environmental Certificate are able to help their employers demonstrate environmental excellence and social responsibility, as well avoid prosecution, litigation, and loss of reputation. Of international relevance, the qualification provides knowledge and skills to support the introduction and maintenance of the environmental management standard ISO 14001 within your organisation.

Course objectives of Environmental Management Certificate

- Environmental Management Systems and aspect identification
- Sources and use of energy and energy efficiency
- Control of pollution
- Planning for and dealing with environmental emergencies.
