## Introduction

A Stakeholder is an individual or group, with an interest in what you provide or do. If you are going to influence your Stakeholders, you must take the time to develop and build support. Whether this is for a Project or a major Change initiative, without the support of people, you will fail. Research has shown that Project and Programme Management Specialists spend much more time dealing with people and people issues than the average respondent.

This exciting and innovative Stakeholder Management training course will focus on the practical and theoretical aspects of Influencing, Negotiating & Communicating.
