Strategic Airport Management

Code: AV28 From: 29 September - 3 October 2025 City: Orlando, Florida (USA) Fees: 6400 Pound

Introduction

Aviation management staff have the challenging job of ensuring safe, efficient operation in a complex and growing business. This course uses intensive training and exercises to help you identify your airport's business challenges and address them at the individual, team, and unit levels. Learn key strategic management tools that will help you keep your operations in line with your strategy and deliver sustainable results.

Course Objectives

- Formulating aviation performance objectives and plan the activities used to achieve them.
- Managing your staff, resources, facilities, and technology with a focus on attaining strategic goals.
- Introduction to Hospitality Management in the aviation sector.
- Aligning your marketing, financial management, and customer service activities to your strategic goals.
- Overseeing expansion, funding, and investor relations with a long-term focus.
- Conducting ongoing evaluation and benchmarking exercises to measure the success of your strategic activities.
- Ensuring sustainable quality and compliance across an airport's business and operations, using quality as a key driver for change.

Course Outlines

Day 1 : Quality Management & Strategic Performance

- Quality management and benchmarking.
- Performance measurement: balanced scorecard.
- Organizational structure and strategic goals.

Day 2 : Strategic Planning & Financial Management
