Code: OG28 From: 3 - 7 November 2025 City: Vienna (Austria) Fees: 5100 Pound

Introduction

Many senior and middle managers do not utilise Excel to its maximum potential. Instead they use it as they would a calculator. If you fall into this category, then this training course is for you. Having completed this 05-days training course you will have the requisite tools to utilize Excel to its fullest and be better equipped to challenge decisions.

In addition, if you work in the upstream or downstream, and your career progression is being restricted by outdated knowledge of modelling techniques then this Petroleum Project Economics & Financial Modelling training course will help you move your career forward.
