Code: PR28 From: 4 - 29 May 2026 City: London (UK) Fees: 0 Pound

Introduction

Social media has revolutionized the way individuals and businesses communicate, connect, and engage with their audience. To leverage the full potential of social media, it's crucial to have a deep understanding of the various platforms, content creation strategies, advertising techniques, and analytics. This course, "Comprehensive Social Media Training and Understanding," is designed to provide participants with an in-depth knowledge of social media and equip them with the skills to develop effective social media strategies. Over the course of 16 days, participants will explore the intricacies of social media platforms, content marketing, paid advertising, and performance measurement.

Objectives

- Provide participants with a comprehensive understanding of the social media landscape and its significance.
- Equip participants with the skills to create compelling content tailored to different social media platforms.
- Teach participants how to develop and execute effective social media marketing strategies.
- Explore advanced topics such as influencer marketing and crisis management on social media.
- Foster an understanding of social media analytics and how to use data to optimize strategies.
- Prepare participants to become proficient social media practitioners or strategists.
