Event Management

Code: LM28 From: 15 July - 9 August 2024 City: Los Angeles (USA) Fees: 20,400 Pound

Introduction

Event management is a multifaceted field that requires careful planning, coordination, and execution to ensure successful events. This 16-day course aims to provide participants with a comprehensive understanding of event management, from conceptualization to post-event evaluation. Participants will learn the principles, strategies, and practical skills required to plan and execute a wide range of events, from corporate conferences to social gatherings.

Objectives

- Introduce participants to the fundamentals of event management.
- Equip participants with the skills to plan and execute events of various types and sizes.
- Teach participants event marketing and promotion strategies.
- Foster an understanding of budgeting, logistics, and risk management in event planning.
- Enable participants to create detailed event plans and manage event teams effectively.
- Provide opportunities for hands-on event planning and coordination.

Course Outline

Week 1

Day 1: Introduction to Event Management

- The significance of events in various sectors.
- Types of events and their purposes.
- The role of an event manager.

Day 2: Event Planning Process

- The event planning lifecycle.
- Defining event objectives and goals.
- Creating a preliminary event concept.

Day 3: Event Concept Development

- Developing a unique event concept.

A graphic of a chessboard with several chess pieces (a king, a pawn, and a knight) on it. The board is white and black, and the pieces are gold and silver. The text 'UK Training PARTNER' is overlaid on the board.
