Enterprise Risk Management

Code: LM28 From: 21 - 2025 April 2025 City: London (UK) Fees: 4700 Pound

Introduction

The Advanced Enterprise Risk Management Course is a comprehensive and cutting-edge program designed to provide participants with an in-depth understanding of modern enterprise risk management practices. This course is specifically tailored for professionals seeking to enhance their knowledge and skills in identifying, assessing, and managing risks within organizations. The course covers the latest trends and best practices in the field, equipping participants with the tools needed to effectively navigate the complex and dynamic risk landscape.

Objectives

- To provide participants with a comprehensive understanding of enterprise risk management principles, concepts, and frameworks.
- To equip participants with the skills to identify, assess, and prioritize risks across various organizational functions and levels.
- To enable participants to develop and implement robust risk management strategies that align with organizational goals and objectives.
- To enhance participants' ability to communicate and report on risks to stakeholders, ensuring effective risk governance and transparency.
- To explore emerging trends and technologies in enterprise risk management, such as data analytics, artificial intelligence, and cybersecurity.

Course Outline

Day 1

Introduction to Enterprise Risk Management

- Evolution of enterprise risk management
- Key concepts and principles
- Risk management frameworks and standards e.g., COSO ERM, ISO 31000
- Integrating risk management into organizational culture and strategy

Day 2

Risk Identification and Assessment

- Techniques for identifying risks at the organizational, operational, and strategic levels
- Risk assessment methodologies and tools

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) in gold and silver. The board is white and black, and the pieces are arranged on it. The text 'UK Training PARTNER' is overlaid on the board.

UK Training
PARTNER
