Train of Trainers (TOT)

Code: PS28 From: 29 June - 3 July 2026 City: Istanbul (Turkey) Fees: 3900 Pound

Introduction

The Train of Trainers TOT course is a specialized program designed to equip participants with the most advanced and modern techniques in training facilitation. This training of trainers course is specifically tailored for trainers who aim to elevate their skills, knowledge, and confidence to deliver effective training sessions. Through a blend of theoretical frameworks, practical exercises, and interactive discussions, participants will gain the essential tools and strategies to become dynamic, impactful trainers.

Course Objectives

- Understand the Role and Responsibilities of a Trainer: Learn about the role of trainers in training within a dynamic learning environment and acquire the competencies required for effective facilitation.
- Explore the Latest Trends in Training Facilitation: Stay updated with the latest trends in TOT training of trainers, including new methodologies and best practices.
- Apply Adult Learning Principles: Utilize learner-centered approaches and adult learning principles to engage and motivate diverse participants.
- Develop Effective Training Materials: Master the art of creating training materials and resources that optimize learning outcomes.
- Use Innovative Training Techniques: Leverage cutting-edge training technologies to enhance participant engagement and learning retention.
- Cultivate Strong Communication and Presentation Skills: Hone communication skills to deliver powerful and impactful training sessions.
- Manage Challenging Training Situations: Learn to adapt your approach to meet the needs of diverse learners and manage challenging training situations.
- Create an Inclusive Learning Environment: Foster a positive, inclusive atmosphere that encourages active participation and enhances learning experiences.
- Evaluate Training Effectiveness: Understand how to assess the success of your training programs and identify areas for improvement.
