# Accelerating Digital Innovation and Strategic Transformation

Code: PS28 From: 12 - 16 August 2024 City: Kuala Lumpur (Malaysia) Fees: 3900 Pound

## Introduction

Welcome to the "Accelerating Digital Innovation and Strategic Transformation" course! This program is designed to provide participants with a comprehensive understanding of digital innovation, strategic planning, and design thinking, and how these concepts intersect in the realm of digital transformation. Through interactive lectures, practical exercises, and case studies, you will develop the skills and knowledge needed to drive innovation and lead successful strategic transformation initiatives in the digital age.

## Course Objectives

- Foster an innovation mindset and create a culture of innovation within organizations.
- Understand the latest trends, technologies, and strategies driving digital innovation.
- Develop strategic planning skills to set objectives, formulate strategies, and implement action plans.
- Apply design thinking principles to create user-centric digital solutions.
- Lead and manage digital transformation initiatives effectively.

## Course Outline

### Day 1

#### Introduction to Digital Innovation and Strategic Transformation

- Understanding the importance of innovation in the digital era
- Exploring different types of innovation and their impact on organizations
- Creating a culture of innovation within your organization
- Introduction to strategic transformation and its relevance in a digital context

### Day 2

#### Digital Innovation Strategies and Trends

- Identifying and analyzing emerging trends in digital innovation
- Evaluating different digital innovation strategies and their applicability
- Leveraging disruptive technologies for digital innovation
- Case studies of successful digital innovation initiatives

### Day 3

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it. The board is white and black, and the pieces are gold and silver. The text 'UK Training PARTNER' is overlaid on the board.
