Mini MBA Business and Management

Code: LM28 From: 28 October - 1 November 2024 City: Edinburgh (UK) Fees: 4700 Pound

Introduction

Welcome to the modern and advanced course on Secretarial and Financial Accounting. This course is designed to provide you with comprehensive knowledge and practical skills in two crucial areas of business administration: secretarial duties and financial accounting. Throughout this course, you will be exposed to the latest trends, technologies, and best practices in these fields, equipping you with the necessary tools to excel in your professional career.

Objectives

- To develop a deep understanding of secretarial responsibilities in a contemporary business environment. To equip participants with advanced knowledge and practical skills in financial accounting.
- To familiarize participants with the latest tools, software, and technologies used in secretarial and financial accounting roles.
- To enable participants to effectively handle administrative tasks and support financial operations within an organization.
- To enhance participants' problem-solving and decision-making abilities in secretarial and financial accounting contexts.
- To provide participants with an overview of relevant legal and ethical considerations in secretarial and financial accounting practices.
- To foster effective communication and interpersonal skills required in secretarial and financial accounting roles.

Course Outline

Day 1

Introduction to Secretarial Duties in the Digital Era

- Role and responsibilities of a modern secretary
- Effective time management and organizational skills
- Utilizing digital tools for efficient communication and task management

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) in gold and silver. The board is set on a checkered pattern, and there are concentric circles in the background.
