## Key Performance Indicators (KPIs ) & Optimisation

Code: LM28 From: 16 - 20 December 2024 City: Paris (France) Fees: 4400 Pound

### Introduction

This program is made up of hands-on workshops and is designed to enable anyone involved with developing performance measures to learn best practices so they can more effectively and efficiently develop, deploy, and manage KPIs. Participants will understand the important business drivers that ensure a successful performance measurement system implementation. Participants will contribute to organizational success by measuring what matters most and apply it to what they learned to their own organization's performance measurement architecture.

### Objectives of the Key Performance Indicators KPI Course

- Understand the concept of Key Performance Indicators KPIs.
- Develop skills in setting strategic goals.
- Develop effective KPIs.
- Create a performance measurement culture.
- Develop alternative performance metrics.
- Apply KPIs in various contexts.
- Measure and manage risks.
- Provide practical tools and templates.
- Present real-world case studies.
- Implement an applied project.
