Enhancing Manpower Planning & Training Management

Code: HR28 From: 16 - 20 December 2024 City: London (UK) Fees: 4400 Pound

Introduction

The course "Workforce Planning and Training Management" aims to equip participants with the theoretical and practical foundations for effective workforce planning and training management. The course focuses on providing participants with the necessary skills to develop effective workforce planning strategies and achieve the optimal balance between business needs and available human resources. Additionally, the course covers training management methods that ensure the development and enhancement of the required skills and competencies for employees.

Course Objectives of Improving Manpower Planning and Training Management

- Consider a number of strategic models for manpower planning
- Master and be able to use methods to explore predictive trends.
- Develop business techniques in order to manage the manpower planning process
- Plan and implement action plans for self and individuals/managers involved in the Manpower Planning process
- Relate all the above mentioned to managing the training function in an organization

Improving Manpower Planning and Training Management Course Outlines

Day 1
