Financial Accounting Professional Certificate

Code: FA28 From: 15 - 19 December 2024 City: Cairo (Egypt) Fees: 3300 Pound

Introduction

This course will provide you with the tools and techniques necessary to enhance all the building blocks of accounting and finance. From accounts payable and cash management to budgeting and financial statements, we will show you the best practices in tools and techniques that will make your job easier and help you deliver more value. The course will also cover behavioral concepts related to day-to-day accounting and finance operations.

Course Objectives of Accounting and Finance

- Identify the main elements of a vision for finance and accounting.
- Evaluate and improve the accounts payable process.
- List the key best practices in receivables, inventory, and cash management.
- Assess the budgeting process in their organizations and recommend improvements.
- Apply MS Excel reporting and analysis techniques for faster accounting and finance operations.
- Develop an enhanced understanding of the behavioral concepts related to the day-to-day finance and accounting operations.
