Effective Sales Management & Best Practices

Code: CC28 From: 7 - 11 April 2025 City: Accra (Ghana) Fees: 3300 Pound

Introduction

Achieving outstanding sales results in an increasingly competitive world is a difficult task. Only by establishing a modern sales force management system and by training sales management personnel effectively, can today's firm compete. This course provides frontline sales managers with the knowledge, skills, and tools they need to drive bottom-line performance. It focuses on improving organization and forecasting skills, as well as other technical competencies aimed at guiding salespeople toward higher performance.

Course Objectives of Effective Sales Management & Best Practices

- Design and deliver sales strategies, and organize sales territories.
- Use different forecasting models to optimize sales results.
- Appraise and train the sales team to generate increased sales and profits.
- Use their leadership and team-building abilities to improve sales and retain people.
- Carry out productive sales performance reviews and use a wide array of sales performance evaluation models.
