

The Complete Program of Marketing, Communications & Media Planning

Toronto (Canada)

30 December 2024 - 3 January 2025

The Complete Program of Marketing, Communications & Media Planning

Code: PR28 From: 30 December 2024 - 3 January 2025 City: Toronto (Canada) Fees: 4700 Pound

Introduction

Advertising and marketing communications are the art and business of developing and communicating messages that provide consumers with information about products, services, and ideas. Marketing communication is exciting, creative, demanding, rewarding, and challenging. This course is designed to provide training in the theoretical and practical aspects of modern marketing communications. Participants will review the many marketing tools available, digital or conventional, and learn about the whole advertising and communication function using a variety of media techniques geared for campaign success.

Training Objectives of Marketing, Communications & Media Planning

- Describe the field of marketing communication and explain the characteristics of successful campaigns offline and online.
- Optimize the visibility of brand or company image by exercising well-rounded knowledge of event concepts and strategies.
- Define the principles of Integrated Marketing Communication IMC and describe how companies apply these principles.
- Apply the insights and skills needed to manage special marketing communications issues and create successful solutions.
- Recognize and implement social media vehicles and tactics to maximize the marketing campaign's return on investment.
