Sales Management Masterclass

Code: CC28 From: 18 - 22 May 2025 City: Washington (USA) Fees: 4700 Pound

Introduction

This course provides participants with core knowledge about sales as a function and as a process; this means that participants will get solid exposure to sales and its contribution to company growth. They will also gain an in-depth understanding of sales and self-management, the art of prospecting, opportunity planning, and resource allocation. In addition, participants will acquire several skills related to negotiating deals, overcoming obstacles, resolving customer issues, and closing sales. Also, we cover all the most important elements of service any person involved in direct interactions with customers should know and apply. From the necessary behavioral and communication skills to the right attitude, and including specific methods to analyze and improve the service provided, we cover it all in a straightforward and effective manner that will help participants ensure customer satisfaction and delight in the most challenging situations.

Course Objectives of Sales Management MasterClass

- Identify and adopt the right professional selling behaviors and skills needed to maximize sales performance.
- Develop critical self-driven practices to optimize personal and business effectiveness and efficiency.
- Master and implement the sales process to successfully handle objections and close more deals.
- Manage customer expectations and exceed them to gain customer loyalty and generate repeat business.
- Master the art of verbal and non-verbal communication to create an atmosphere of respect and trust in the seller-buyer interface .
