Certified Employee Relations Professional

Code: HR28 From: 18 - 22 November 2025 City: Manchester (UK) Fees: 4400 Pound

Introduction

The course "Employee Relations Management" aims to enhance skills in managing employee relations by understanding fundamental principles and modern techniques for effective communication, conflict management, and employee motivation. This course is designed to provide participants with the knowledge needed to improve the work environment and boost overall performance. It is an ideal choice for HR professionals and company managers looking to strengthen their ability to handle daily employee-related challenges and develop their expertise in employee relations management.

Course Objectives

By the end of this course, participants will be able to:

- Understand the principles of employee relations management: Learn the definition and importance of employee relations in the workplace.
- Enhance communication skills with employees: Apply effective communication techniques to build positive relationships with employees.
- Manage and resolve conflicts effectively: Learn strategies to address and resolve conflicts, transforming them into opportunities for growth.
- Motivate and recognize employees: Explore methods for motivating employees and building a culture of appreciation in the workplace.
- Analyze and improve the work environment: Identify issues and implement strategies for enhancing the work environment.

Course Outlines

Day 1: Introduction to Employee Relations Management

- Definition of employee relations and the significance of these relationships in the workplace.
- Analyzing the current work environment and understanding associated challenges.
- Exploring best practices in employee relations management.

Day 2: Communication Skills

- Key principles of effective communication with employees.
- Techniques for active listening and non-verbal communication to strengthen connections.
- Strategies for building and maintaining positive relationships with employees.

Day 3: Conflict Management
