Code: LM28 From: 6 - 17 July 2026 City: Milan (Italy) Fees: 7400 Pound

Introduction

Welcome to the Executive Mastery: Governance, Leadership, and Strategic Management Intensive course! This advanced program is tailored for seasoned executives aiming to enhance their skills in leadership excellence, master corporate governance management, and excel in strategic management processes within today's dynamic business landscape.

Through this course, you will gain practical expertise in strategic thinking, refine your leadership management skills, and learn how to implement global strategic management principles to position your organization for long-term success.

Course Objectives

By the end of this course, you will:

- Develop a comprehensive understanding of corporate governance management principles and frameworks.
- Enhance your ability to achieve leadership excellence, inspiring and motivating teams effectively.
- Master strategic thinking skills to identify opportunities, foster innovation, and adapt to change.
- Understand the benefits of strategic management and apply advanced strategic management processes, including risk management and resource allocation.
- Cultivate strategic resource management expertise to optimize operational efficiency.
- Foster ethical leadership practices and tackle complex organizational challenges with confidence.
- Build a professional network with executives worldwide for ongoing collaboration and development.

Course Outlines

Day 1: Governance Fundamentals

- Understanding corporate governance management principles.
- Exploring board dynamics and executive responsibilities.
- Implementing good governance leadership practices for accountability and decision-making.
- The role of corporate social responsibility CSR and sustainability in governance.

Day 2: Leadership Excellence

- Defining leadership excellence and its impact on organizational success.
- The meaning and application of leadership management in dynamic environments.
- Leveraging emotional intelligence to enhance executive performance.
- Leading high-performing teams through transformational leadership techniques.

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) positioned on it. The board is white and black, and the pieces are gold and silver. The text 'UK Training PARTNER' is overlaid on the right side of the board.
