Microsoft Power BI Workshop

Code: IT28 From: 6 - 10 October 2024 City: Istanbul (Turkey) Fees: 4600 Pound

Introduction

The Microsoft Power BI workshop was designed to introduce participants to the Power BI program, its uses, and what this program contributes to facilitating data processing, creation, and transfer from one user to another. Through the program, the user can connect, transform, clean, and include data sets in a data model, in addition to creating Charts or graphs to provide visualizations of the data, all of which can be shared with other Power BI users within the same organization.

Workshop Objectives

- Enabling subscribers to prepare data easier and faster.
- Enabling subscribers to model data in more professional ways.
- Enable participants to visualize data in new and innovative ways.
- Enable subscribers to analyze and use data.
- Enable subscribers to post and maintain deliverables.
