# Governance and Leadership Skills Enhancement for Government Officials and Secretaries

Code: LM28 From: 10 - 21 August 2025 City: Amman (Jordan) Fees: 5600 Pound

## Introduction

In the context of rapid transformations within the public sector, government officials and secretaries play a pivotal role in steering public institutions toward achieving sustainable development goals and addressing the needs of society. This course is designed to enhance the core skills in governance, leadership, and strategic management for public sector officials and secretaries. By blending advanced leadership theories, practical insights, and real-world case studies, participants will develop the necessary skills to tackle complex challenges in government institutions. The course focuses on empowering government leaders to make informed decisions, promote ethical leadership, and implement strategies that ensure the achievement of national objectives.

## Course Objectives

By the end of this leadership training course, participants will:

- Understand Governance in the Public Sector: Develop a comprehensive understanding of governance frameworks and how to apply them effectively to enhance government efficiency and transparency.
- Enhance Leadership Skills: Build leadership skills that are essential for guiding teams and initiatives within the public sector, promoting better decision-making, and fostering public trust.
- Master Strategic Management Techniques: Learn modern strategic management strategies that can improve performance and meet the objectives of government institutions.
- Promote Ethical Leadership: Ensure decision-making processes are aligned with ethical standards, maintaining transparency and integrity within government operations.
- Manage Change and Innovation: Build resilience to lead government institutions through periods of transformation, ensuring sustainability and effective management of change.
- Develop Resource Management Skills: Gain the ability to manage financial, human, and material resources efficiently, contributing to effective governance.
- Strengthen Stakeholder Collaboration: Learn to engage with stakeholders effectively to achieve the strategic goals of the public sector.
- Apply Governance Principles in Public Institutions: Use case studies to implement governance principles and improve public sector leadership.

## Course Outlines

### Day 1: Fundamentals of Governance in the Public Sector

- Introduction to Good Governance: Gain a deep understanding of good governance principles and how they are applied to public sector institutions.
- The Role of Government Officials and Secretaries: Learn how government officials contribute to enhancing efficiency and transparency in public sector organizations.
- Ethical Considerations and Governance Standards: Understand the governance skills necessary for ethical
