Crisis Management & Leading Under Pressure

Code: LM28 From: 14 - 18 December 2025 City: Istanbul (Turkey) Fees: 3900 Pound

Introduction

Effective leadership in times of crisis is a crucial skill that defines the success of organizations. This comprehensive course will equip you with the tools and knowledge to navigate challenges, manage stress, and lead with confidence during times of uncertainty. By understanding the crisis management process and developing advanced crisis leadership skills, you will be better prepared to anticipate, address, and overcome the complexities of crises.

Through this crisis management training, you will gain practical insights into what makes a leader effective under pressure, and how to foster resilience and creativity in your team. Whether you're a seasoned professional or new to leadership roles, this course provides the steps of crisis management and strategies to strengthen your ability to handle pressure and maintain organizational stability.

Course Objectives

By completing this course, participants will:

- Understand the importance of crisis management and its impact on organizational success.
- Learn what crisis management is, including its definition, purpose, and benefits.
- Develop professional crisis management skills for handling pressure and stress.
- Recognize different personality styles and their responses to stress.
- Cultivate a positive mindset to navigate challenges with confidence.
- Master effective crisis management techniques to lead teams under pressure.
- Understand the basics of crisis management, including preparation, response, and recovery.
- Enhance communication skills to resolve conflicts and motivate teams during challenging times.
- Create actionable plans to implement crisis management processes in the workplace.

Course Outlines

Day 1: Personal Leadership Skills for Managing Stress and Pressure

- Understanding what is crisis management and its role in leadership.
- Effects of stress on mind and body.
- Holistic responses to stress: Mind-body connection.
- Personality styles and coping mechanisms for stress.
- Identifying Introvert and Extrovert responses under pressure.

Day 2: Communication Skills in Stressful Situations

- Assertive vs. passive and aggressive communication during crises.
- Managing and resolving conflicts effectively under stress.
