Enhancing Governance, Leadership, and Trusteeship Skills in the Public Sector

Code: NC28 From: 16 - 20 February 2025 City: Cairo (Egypt) Fees: 4000 Pound

Introduction

In an era of rapid change within the public sector, effective governance, leadership, and trusteeship are vital for ensuring transparency, accountability, and the successful achievement of strategic objectives. This course aims to modernize the competencies of government leaders and trustees, equipping them with the tools to implement best practices in governance and lead their organizations with vision, integrity, and flexibility. Participants will delve into advanced strategies that facilitate organizational transformation, improve decision-making processes, and cultivate a culture of good governance aligned with contemporary trends and global best practices.

Course Objectives

By the end of the course, participants will:

- Grasp the fundamental principles of governance, leadership, and trusteeship within the public sector.
- Enhance leadership skills that promote innovation, strategic thinking, and ethical decision-making.
- Strengthen their capacity to implement governance frameworks that boost transparency and accountability.
- Acquire essential skills for effective trusteeship, including oversight, strategic planning, and risk management.
- Apply contemporary governance models tailored to the unique challenges faced by the public sector.
- Equip themselves with tools to navigate the complexities of public administration within a dynamic regulatory landscape.
- Lead transformative initiatives that align with the principles of sustainable development and the public good.
