Enhancing governance, leadership and trustee skills in the government sector Comprehensive

Code: NC28 From: 21 September - 2 October 2025 City: Amman (Jordan) Fees: 6800 Pound

Introduction

In today's dynamic public sector landscape, effective governance and leadership play a pivotal role in achieving long-term sustainability and success. Leaders and trustees of public organizations must adopt innovative strategies to tackle contemporary challenges, such as digital transformation, evolving stakeholder expectations, ethical decision-making, and strategic leadership. This 10-day course offers an in-depth exploration of advanced governance models, ethical leadership practices, and the expanding role of trustees in promoting transparency, accountability, and institutional effectiveness. Participants will gain a comprehensive toolkit of modern governance practices, leadership strategies, and decision-making frameworks specifically designed for the public sector.

Course Objectives

- Master advanced governance frameworks to promote transparency and accountability.
- Develop strategic leadership skills focused on vision, ethics, and transformational change.
- Strengthen the role of trustees in supporting governance goals and maintaining ethical standards.
- Implement risk management strategies aligned with international best practices.
- Foster a culture of continuous improvement and innovation to adapt to future governance challenges, including digital transformation and sustainability.
