# Advanced Event Management in Public Relations: Advanced Planning and Execution Strategies

Code: PR28 From: 15 - 19 June 2026 City: Paris (France) Fees: 4400 Pound

## Introduction

This advanced event management course is designed to build on your existing knowledge and enhance your skills in handling complex and large-scale events. Participants will learn innovative techniques and use sophisticated tools for managing crowds, handling media relations, and analyzing campaign performance. A key focus of this course is also refining public speaking skills to ensure effective communication with both the media and event attendees. Whether you are seeking an event management certification or looking to advance your career in the industry, this course will provide valuable insights and actionable strategies.

## Course Objectives

By the end of this pr management course, participants will be able to:

- Enhance strategic planning abilities for large-scale events, utilizing event management systems and project management tools.
- Master crisis management techniques for handling challenges effectively during events.
- Improve analytical skills to assess event success through performance analysis and digital tools.
- Perfect public speaking capabilities and engage effectively with the media.
- Utilize advanced digital tools for crowd management and media interaction, ensuring seamless event execution.

## Course Outlines

### Day 1: Strategic Planning for Major Events

- Implementing advanced planning techniques using project management tools for large-scale events.
- Assessing the needs of the target audience and defining strategic objectives.
- Creating precise timelines and resource allocations, ensuring smooth event flow.
- Managing teams, task distribution, and leadership in complex event environments.
- Identifying potential risks and formulating contingency plans for mitigating issues.

### Day 2: Event Scheduling and Resource Management

- Employing advanced techniques to manage event timelines and optimize team schedules.
- Leveraging digital tools to enhance scheduling and task management.
- Managing both physical and human resources effectively.
- Coordinating invitations, maintaining communication with external stakeholders, and adapting to changes.
- Monitoring progress and adapting schedules based on event developments.

### Day 3: Crowd and Entertainment Management

- Developing advanced strategies for crowd management, ensuring safety and compliance.

UK Training
