Advanced Course in MBA in Finance & Accounting

Code: FA28 From: 2 - 6 March 2026 City: Kuala Lumpur (Malaysia) Fees: 4200 Pound

Introduction

The Finance and Accounting MBA is an intensive 5-day program designed to enhance your management skills while focusing on current best practices in finance and accounting. Finance is a core function within any business, demanding executive attention, while accounting serves as the language of business that enables effective decision-making. This program will sharpen your ability to identify best practices in both fields, preparing you to become a strategic financial leader in your organization.

Whether you're seeking an Executive MBA to enhance your career or aiming to gain practical expertise in financial management, this course will offer valuable insights and strategies to tackle challenges in the financial landscape. If you're wondering what is an MBA and how it can elevate your professional capabilities, this program is designed to provide you with the tools to lead effectively in today's competitive business environment.

Course Objectives

- Enhance leadership and motivation skills: Learn to lead and motivate your team more effectively, leveraging advanced financial management skills to drive success.
- Utilize strategic planning techniques: Gain hands-on experience in strategic planning to align your organization's financial objectives with its overall mission.
- Benchmarking financial best practices: Understand how to use the Baldrige performance criteria as a benchmark for excellence in financial operations.
- Focus on real-world examples: Explore how leading companies have adopted best practices in finance and accounting, and apply them to your own organization.
- Become a strategic financial leader: Master the essential aspects of financial strategy and prepare yourself for future leadership roles within your organization.
- Prepare for future responsibilities: Explore how finance and accounting best practices can drive future success and growth in an organization.
