## Investment portfolio management

Code: FA28 From: 19 - 23 January 2026 City: London (UK) Fees: 4400 Pound

### Introduction

The Advanced Investment Management course is a comprehensive and intensive training program designed to equip participants with the most up-to-date knowledge and advanced skills in investment portfolio management. This course delves into the rapidly evolving landscape of investment strategies, portfolio management techniques, and the integration of technology in investment decision-making. Participants will gain a deep understanding of contemporary investment portfolio management concepts and practices, enabling them to navigate the complexities of modern financial markets with confidence and expertise.

By understanding what is investment portfolio management and exploring various types of investment portfolio management, participants will be able to optimize their portfolios and achieve their financial goals in dynamic market conditions.

### Course Objectives

By the end of this course, participants will:

- Gain a comprehensive understanding of modern investment portfolio management concepts and their relationship with savings in the digital era.
- Explore advanced investment portfolio management strategies and their applications in different market conditions.
- Examine the evolving role of technology in investment portfolio management and decision-making.
- Analyze the impact of macroeconomic factors on investment strategies.
- Develop proficiency in building and managing advanced investment portfolios.
- Learn cutting-edge investment portfolio analysis techniques and evaluation methods.
- Understand the principles and criteria for selecting stocks and navigating dynamic markets.
- Explore the use of alternative investments and their role in portfolio diversification.
- Evaluate the performance and risks associated with modern investment approaches.
- Apply advanced financial modeling techniques to assess investment opportunities.
- Use quantitative methods to measure and manage portfolio risk.
