CEO Training: Modern Business Navigation

Code: LM28 From: 14 - 18 April 2025 City: Rome (Italy) Fees: 4200 Pound

Introduction

In today's rapidly changing business landscape, the role of an executive has grown increasingly complex, requiring a blend of strategic foresight, leadership skills, and sustainable practices. This Advanced Executive Management Training course aims to equip current and aspiring executives with essential knowledge and advanced skills for success. Participants will delve into modern strategies, key trends, and industry best practices that CEOs and executive leaders must adopt to drive organizational success and stay ahead of the competition.

Course Objectives

- **Understand the Modern Executive Landscape:** Gain a deep insight into the evolving responsibilities and opportunities in the executive role, focusing on emerging trends, business navigation solutions, and sustainable business practices.
- **Develop Strategic Thinking and Decision-Making Skills:** Build essential skills in strategic thinking, case analysis, and decision-making that align with an organization's core goals and values, strengthening the role of CEOs in project management and beyond.
- **Build Leadership and Effective Communication Skills:** Learn advanced leadership techniques to inspire and motivate diverse teams, foster innovation, and lead through change. Strengthen communication skills for impactful stakeholder engagement and organizational alignment.
- **Master Financial Management and Risk Assessment:** Acquire critical knowledge in financial management principles, such as financial analysis, budgeting, and risk management, equipping CEOs with skills to drive growth, assess risk, and make data-driven decisions.
- **Lead Digital Transformation and Foster Innovation:** Understand the effects of digital disruption and learn strategies for driving digital transformation. Explore techniques to promote a culture of innovation and build adaptable business models for success in dynamic markets.

Course Outlines

Day 1: The Modern Executive Landscape

- The evolving role of an executive in the 21st century
- Key trends shaping today's business environment
- Ethical and social responsibilities of an executive
- Leading with purpose and vision

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) on it. The board is white and black, and the pieces are gold and silver. The text 'UK Training PARTNER' is overlaid on the board.
