Certified Public Relations Professional Comprehensive Course

Code: PR28 From: 2 - 13 February 2026 City: London (UK) Fees: 7400 Pound

Introduction

In today's dynamic business environment, a well-structured public relations strategy is critical for organizational success. This interactive and participatory workshop is designed to equip participants with essential knowledge and skills to operate effectively in the ever-evolving field of public relations. Utilizing diverse learning tools—including presentations, role-playing, group exercises, and roundtable discussions—this course fosters a comprehensive understanding of public relations meaning and its application in both internal and external communications.

Participants will explore the definition of public relations, its role in marketing, and the importance of effective communication in enhancing an organization's image and reputation. Whether you're a public relations professional or aspiring to enter the field, this course provides the tools needed to excel.

Course Objectives

- Define the functions of public relations in a changing environment and understand what public relations means.
- Plan and organize PR programs by familiarizing participants with the primary tasks of a public relations professional.
- Practice essential public relations skills and techniques required to fulfill public relations duties.
- Apply knowledge to communicate effectively with both internal and external audiences.
- Justify the role of the public relations specialist in supporting an organization's image and reputation through effective verbal and written communication.
- Prepare and execute a press conference effectively, showcasing key public relations competencies.

Course Outlines

Day 1: Public Relations in a Changing Environment

- The origin and development of public relations.
- Public relations definition, scope, and objectives, including its role in public relations marketing.
- Guiding principles for public relations professionals.
- Overview of successful PR campaigns in advertising and public relations.
- New roles and perspectives in the evolving landscape.
- The role of PR in building and supporting an organization's image.

Day 2: Functions of Public Relations

- Management principles relevant to public relations.
- Planning and organizing PR activities.
- Leading and controlling PR projects for successful outcomes.
