Interpersonal Skills for HR Professionals Comprehensive Course

Code: HR28 From: 18 - 22 November 2024 City: Los Angeles (USA) Fees: 5700 Pound

Introduction

Human resources specialists play a role that extends beyond the technical tasks associated with their field. Continuous support must be provided to employees and managers, which is why HR professionals need to leverage their interpersonal skills or soft skills to perform their jobs effectively. The beauty of this course lies in its uniqueness in recognizing situations in organizations that require special care and attention from HR specialists, beyond their technical competencies. This course addresses these situations and shows you how to develop the appropriate interpersonal skills to manage them.

Course Objectives

- Define communication and explain its importance to the work of HR professionals.
- Apply the fundamental principles of business writing and reporting.
- Produce written communications related to human resources and HR report templates.
- Practice essential conflict resolution skills, including influencing.
- Explain the importance of customer service in HR and the steps to build an appropriate mindset.
- Choose the fundamental techniques for training and mentoring in specific HR situations.
