# The Process of Professional Strategic Planning Comprehensive Course

Code: PS28 From: 19 - 23 October 2025 City: Tunis (Tunisia) Fees: 6200 Pound

## Introduction

An organization without a strategy is like a ship without a rudder. Why is strategic planning important? Without a clear roadmap, organizations cannot provide exceptional value to stakeholders or achieve sustainable growth. This is where the role of strategic planning becomes essential. Strategic planning is about setting ambitious goals, understanding both current and future environments, and providing a clear direction for the organization.

In this comprehensive strategic planning course, we will guide participants through the stages of the strategic planning process. From the initial 'thinking' phases to 'planning' and 'execution,' participants will learn how to create a strategic plan tailored to their organization's unique needs. By the end of the course, attendees will be equipped to implement or improve strategic processes, ensuring sustainable success and growth.

## Course Objectives

- Apply strategic thinking to analyze their current environment and define organizational ambition.
- Employ the strategic planning steps to achieve desired goals.
- Assess and choose strategies that create sustainable competitive advantages.
- Determine strategic plan goals and objectives, Key Performance Indicators KPIs, and SMART targets.
- Convert strategic business plans into actionable operating plans.
- Participate in the performance management cycle to ensure successful execution of chosen strategies.

## Course Outlines

### Day 1: Strategic Thinking and Planning

- Introduction to the elements of strategic planning.
- Strategy Safari and the Strategic Management Processes.
- Differentiating strategic thinking from strategic planning.
- The benefits of strategic planning and debunking common myths.
- Conducting environmental analysis: Porter's 5 Forces and SWOT.
