The Process of Professional Strategic Planning Comprehensive Course

Code: PS28 From: 26 - 30 January 2026 City: Washington (USA) Fees: 7900 Pound

Introduction

An organization without a strategy is like a ship without a rudder. Why is strategic planning important? Without a clear roadmap, organizations cannot provide exceptional value to stakeholders or achieve sustainable growth. This is where the role of strategic planning becomes essential. Strategic planning is about setting ambitious goals, understanding both current and future environments, and providing a clear direction for the organization.

In this comprehensive strategic planning course, we will guide participants through the stages of the strategic planning process. From the initial 'thinking' phases to 'planning' and 'execution,' participants will learn how to create a strategic plan tailored to their organization's unique needs. By the end of the course, attendees will be equipped to implement or improve strategic processes, ensuring sustainable success and growth.
