## Advanced Blackbird Project Management Professional Workshop

Code: PM28 From: 12 - 23 January 2026 City: Pulau Ujong (Singapore) Fees: 7900 Pound

### Introduction

In today's dynamic and competitive business world, having the ability to effectively manage projects is more important than ever. Whether you're working with small teams or large cross-functional groups, mastering project management skills is crucial for success. This course is designed to equip you with the knowledge and techniques recognized by the Project Management Institute PMI® and provides a deep dive into the project management techniques used by certified project management professionals worldwide. You'll learn to navigate all stages of project management, avoid common pitfalls, and enhance your competitive edge in the fast-paced workplace.

By applying industry-standard methodologies such as the PMI project management methodology and learning the fundamentals of project cycle management, you will develop the skills needed to initiate, plan, execute, monitor, control, and close projects efficiently.

### Course Objectives
