# Organizational Conflict Management and Audit Quality in Industrial Companies

Code: QM28 From: 8 - 12 December 2024 City: Cairo (Egypt) Fees: 3300 Pound

## Introduction

This course aims to provide participants with a comprehensive understanding of the importance of organizational conflict management in enhancing the quality of auditing within industrial companies. When managed effectively, organizational conflict can become an opportunity to improve efficiency and foster collaboration between teams, which positively impacts the quality of auditing processes and outcomes. The course seeks to present innovative strategies for managing conflicts, helping to minimize negative impacts and improve overall performance.

## Course Objectives

- Understanding Organizational Conflict and Its Impact: Develop awareness of the concept of organizational conflict and how it affects the quality of auditing processes.
- Identifying and Analyzing the Causes of Conflict: Recognize the root causes that lead to organizational conflicts in industrial company environments.
- Developing Effective Conflict Management Strategies: Learn strategies and techniques to manage conflicts in a way that supports the improvement of auditing quality.
- Enhancing Auditing Quality Through Collaboration: Apply effective practices to transform conflict into opportunities that support cooperation and quality.
- Evaluating the Effectiveness of Conflict Management Strategies: Measure the success of various strategies in achieving a balanced work environment and high auditing quality.
